18) Applicable Tax Rates

The Bidder acknowledges and agrees that the Goods and Services Tax (GST) applicable to the scope of work comprising Design, Supply, Installation, Testing, and Commissioning (DSTC) and Comprehensive Maintenance Services under this Contract shall be levied in accordance with the prevailing laws, rules, notifications, and circulars issued by the Government of India, as amended from time to time.

19) Material Component

The GST applicable on the supply of solar materials and equipment forming part of the Contract scope shall be 5% (Five Percent), in accordance with the current Government of India norms.

20) Service Component

The GST applicable on services related to solar projects, including but not limited to installation, testing, commissioning, and maintenance services, shall be 18% (Eighteen Percent), as per the prevailing statutory provisions.

21) Compliance with Amendments

The above-mentioned tax rates are based on the existing Government of India regulations as on the date of submission of the bid. In the event of any revision, amendment, modification, or substitution in the applicable tax rates, structure, or classification by any competent authority, the same shall be binding on both Parties and shall be applied accordingly.

22) Statutory Variations

Any increase or decrease in applicable taxes due to statutory changes after the due date of bid submission shall be adjusted to the Contract Price, subject to the production of documentary evidence and compliance with applicable laws.

23) Bidder's Responsibility

The Bidder shall be solely responsible for correct classification of goods and services, payment of applicable taxes, filing of returns, and compliance with all statutory requirements under GST laws. Any liability arising due to misclassification, non-compliance, or incorrect tax treatment shall be borne entirely by the Bidder.

24) Inclusive/Exclusive Pricing Declaration

The Bidder shall clearly indicate in the Financial Bid whether the quoted rates are inclusive or exclusive of GST. In case of ambiguity, it shall be deemed that the quoted price is inclusive of all applicable taxes and duties.

Annexure 2: Agreement for Engagement (Draft)

This AGREEMENT is made on the day of [year] between Meghalaya New and Renewable Energy Development Agency (hereinafter called " MNREDA") on one part and (herein after called "the Bidders") of the other part:

WHEREAS

1. The MNREDA is desirous that the successful Bidders should provide services as per the Scope of work
2. The Bidders, having represented to the MNREDA that they have the required professional skills, and personnel and technical resources, has agreed to provide the services on the terms and conditions set forth in this contract.

Now this agreement WITNESSETH AS follows:

1. Background

- 1.1. The agreement shall begin from the date of signing of the agreement. Bidding Document for specific assignment/ activity would be issued to adequate number of category specific Bidders for submission of Bidding Document to the specific project.
- 1.2. These conditions shall apply to the extent that provisions in other parts of the agreement do not supersede them. For interpretation words and expressions shall have the same meanings as are respectively assigned to them in the Bidding Document.
- 1.3. The following documents in relation to Bidding Document issued for selection of bidders. shall be deemed to form and be read and construed as part of this Agreement viz:
 - 1.3.1. Application form for Empanelment of Vendors for Desing, Supply, Installation, Commissioning, Erection and Comprehensive Maintenance of Solar Water R.O. Purification System in the State of Meghalaya”.
 - 1.3.2. Detailed terms and conditions for registration of class-i contractors.

2. Relationship between the parties

Nothing mentioned herein shall be construed as relationship of master and servant or of principal and agent as between the ‘MNREDA’ and ‘the Bidders’. The Bidders subject to this agreement for engagement has complete charge of its personnel in performing the services under the Project executed by MNREDA from time to time. The Bidders shall be fully responsible for the services performed by them or on their behalf here under.

3. Standards of performance

- 3.1. The Bidders shall perform the services and carry out their obligations under the Agreement with due diligence, efficiency and economy in accordance with generally accepted professional standards and practices. The Bidders shall always act in respect of any matter relating to this agreement as faithful advisors to MNREDA. The Bidders shall always support and safeguard the legitimate interests of MNREDA, in any dealings with the third party. The Bidders shall abide by all related provisions/Acts/Rules etc. prevalent in the country. The Bidders shall conform to the standards laid down in the BIDDING DOCUMENT in totality.
- 3.2. MNREDA requires that Bidders must provide professional, objective, and impartial advice and always hold the MNREDA interest’s paramount, strictly avoid conflicts with other assignments/jobs, downstream projects or their own corporate interests and act without any consideration for future work. The Bidders is also required to furnish a Statement of Non-Conflict along with their technical bids. It is also advised that the Bidders should also refrain

from responding to requests (EOI / BIDDING DOCUMENT), related with MNREDA Projects, where such Conflict of interests exists.

4. Bidders Personnel: The Bidders shall employ and provide such qualified and experienced personnel as may be required to perform the services under the SOW assigned by MNREDA.
5. Applicable Law: Applicable Law means the laws and any other instruments having the force of law in India as they may be issued and in force from time to time. The Agreement shall be interpreted in accordance with the laws of India and the State of Meghalaya.
6. Intellectual Property Rights: No services covered under the Agreement shall be sold or disposed by the Bidders in violation of any right whatsoever of third party, and but without prejudice to the generality of the foregoing, of any patent right, trademark or similar right, or any charge mortgage or lien. The Bidders shall indemnify the MNREDA from all actions, costs, claims, demands, expenses and liabilities, whatsoever; resulting from any actual or alleged infringement as aforesaid and at the expenses of the Bidders, MNREDA shall be defended in the defense of any proceedings which may be brought in that connection.
7. Governing Language: The Agreement shall be written in English Language. English version of the Agreement shall govern its interpretation. All correspondence and other documents pertaining to the agreement, which are exchanged between the parties, shall be written in the English Language.
8. Performance Assessment: If the bidders fail to execute the assignment taking into consideration the job requirements, then MNREDA may rescind the Agreement and shall be free to get it done from other Bidders at the risk and costs of the appointed Bidders. MNREDA may debar the Bidders for applying in the future also.
9. Period: The bidders would be selected for 5 years with MNREDA from the date of signing of the agreement or till the completion of the project assigned to him, whichever is later.
10. Termination of association with MNREDA: The successful Bidders association with MNREDA will terminate in following two ways:
 - 10.1. The term of Agreement expires.
 - 10.2. Termination of Agreement by MNREDA due to non-performance during the execution of Project:
 - a. Performance is below expected level.
 - b. Non-adherence to the timelines of the Project
 - c. Quality of work is not satisfactory.
11. Resolution of Disputes: If any dispute arises between parties, at first it shall be attempted to be resolved amicably, otherwise the dispute shall be referred for Arbitration as per the clauses set out in the BIDDING DOCUMENT.
12. Legal Jurisdiction.: All legal disputes between the parties shall be subject to the jurisdiction of Meghalaya High Court, Shillong only.
13. General: The mutual rights and obligations of MNREDA and the Bidders shall be as set forth in the Agreement, in particular, the Bidders shall carry out the services in accordance with the provisions of the Agreement IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed in their respective names as of the day and year written above.

For and on behalf of MNREDA	For and on behalf of
[Authorized Representative] (Director MNREDA)	[Authorized Representative] ()

Note: If the Bidders consists of more than one entity, all these entities should appear as signatories.⁴

Dear Sir,

With reference to your Request for Proposals dated____we, [insert name of Bidder], wish to submit our Financial Bid for the award of the Contract for the implementation of Empanelment of Vendors for Solar Water RO Purification System.

We hereby submit our Financial Bid, which is unconditional and unqualified. We have examined the Tender Documents, including all the Addenda.

We hereby acknowledge and confirm that all the undertakings and declarations made by us in our Qualification Bid are true, correct and accurate on the date of opening of our Financial Bid.

We are quoting the following prices in the following format :

Sl.No	Item Description	Quantity	Unit rate in INR	GST Amount in INR	Total Amount with Taxes in INR
1	Desing, Supply, Installation, Commissioning, Erection and Comprehensive Maintenance of Solar	1			

	Water R.O. Purification System of capacity 500 LPH.				
2	Desing, Supply, Installation, Commissioning, Erection and Comprehensive Maintenance of Solar Water R.O. Purification System of capacity 1000 LPH.	1			

[Note to Bidders: The Bidders are required to quote the price up to two decimal points.]

1. We acknowledge, confirm and undertake that:
 - a. All of our representations, warranties and undertakings made in our Bid Application Letter are hereby reiterated and applied to this Financial Bid.
 - b. The Price quoted by us is inclusive of all costs, expenses, service charges, taxes, overheads.
 - c. The Price quoted by us shall apply across all locations for the State of Meghalaya.
 - d. The terms and conditions of the Tender Documents and the Price quoted by us for the implementation of the Scheme are determined on a technically sound basis, are financially viable and in accordance with our underwriting policy and is sustainable on the basis of information and experience available in our records.
 - e. MNREDA shall select the Successful Bidder based on the L1 method as set out in the Bidding Document and that MNREDA may also decide to annul the Bidding Process.
 - f. If we are declared as the Successful Bidder, we will be required to provide the goods and services in all the districts of the State of Meghalaya as per the terms of the Bidding Document . Accordingly, the Price quoted by us by us shall apply across all locations in the State of Meghalaya for each system during the Term of the Contract. We shall not be entitled to seek or claim any change in the Prices for any district except in accordance with the express terms of the contract.

In witness thereof, we submit this Financial Bid under and in accordance with the terms of the Tender Documents.

Dated this [insert] day of [insert month] 2026

Annexure 5: General Technical Particulars and Technical Specifications**COMPONENT SPECIFICATIONS**

Sl. No	Particular	500 LPH Solar RO Plant	1000 LPH RO Solar RO Plant
1	Water Treatment Capacity	500 LPH	1000 LPH
2	Feed Water Source	Ground/Surface water (~1000 ppm TDS)	Ground/Surface water (1200 ppm TDS, 800 ppm hardness)
3	RO Membrane Type	Thin Film Composite (TFC) / Suitable membrane for specified TDS	Thin Film Composite (TFC) / Suitable membrane for specified TDS
4	Number of RO Membranes	As per capacity, typically 1 to 4 membranes	As per capacity, typically 1 to 4 membranes
5	Recovery Rate	≥ 65% (typical)	~35%
6	Product Water Quality	TDS < 50 ppm	Up to 98% TDS removal
7	Output Water Flow Rate	500 LPH	1000 LPH
8	Operating Pressure	10–15 bar	High pressure (~110 m head)
9	Feed Water Pump	1 HP centrifugal	1.5 HP centrifugal
10	Pre-treatment System	Sand + Carbon + Micron filters	Dual media + Carbon + Micron filters
11	Post-treatment	UV disinfection	UV disinfection
12	Control System	Electrical control panel	Electrical control panel with safety
13	Instrumentation/Display	Rotameter, pressure gauges	Flow meter, pressure gauges
14	System Parameters Display	Flow, pressure	Flow, pressure, system monitoring
15	Protection Features	Basic electrical protection	Electrical + pressure protection
16	Material of Construction	SS skid + FRP vessels	FRP vessels + SS frame
17	Piping & Connections	UPVC / SS	UPVC (pre), SS (post)
18	Chemical Dosing System	Anti-scalant dosing	5 LPH dosing system
19	Reject Management	Reject outlet provided	Reject outlet provided
20	Operating Temperature	5°C – 45°C	5°C – 45°C
21	Ambient Temperature	0°C – 50°C	0°C – 50°C
22	Humidity Range	Up to 95% RH	Up to 95% RH
23	Noise Level	< 65 dB	< 65 dB
24	Footprint	Compact skid-mounted	Skid-mounted
25	Enclosure Protection	Standard enclosure	IP54 panel
26	Modes	Manual / Semi-auto	Automatic with monitoring
27	Solar PV Capacity	~3 kWp system	3000 Wp PV array
28	Solar PV Modules	Standard modules	IEC compliant, ≥14% efficiency
29	Solar Pump	DC/BLDC pump	3 HP DC/BLDC submersible
30	Solar Controller	MPPT controller	MPPT controller with protections
31	Mounting Structure	GI tilt structure	GI structure with tracking

32	Solar Protections	Basic protections	Dry-run, lightning, short circuit
33	Standards & Certifications	ISO compliant	IEC compliant (solar)
34	Warranty	2 years	5 years (solar system)
35	Maintenance	Flushing system provided	RO flushing system
36	Installation	Included	Included
37	Documentation	O&M manual	O&M manual with solar details
38	Testing & Approval	As per standards	MNRE / relevant authority
39	Safety Features	Electrical safety, grounding	Full electrical + solar protections

Important Points:

1. The specifications provided herein are indicative and represent the minimum technical requirements for the 500 LPH and 1000 LPH RO systems. Bidders may propose alternative or improved technical specifications, configurations, or components based on their design expertise and standard practices, provided that such deviations meet or exceed the performance and functional requirements specified in this tender. However, any such deviations or additional specifications must be clearly stated and justified in the technical bid. Furthermore, all clarifications, deviations, or alternate proposals shall be formally submitted only through the pre-bid query process to the tendering authority. The acceptance of any such proposed deviation or alternative specification shall be at the sole discretion of the tendering authority, and no deviation shall be considered valid unless explicitly approved in writing. No post-bid or post-award deviations from the approved specifications shall be permitted.
2. When the project is awarded, the vendor/Contractor should provide the bill of material mentioning the quantity of each of the item consisting in each system, for the projects they are undertaking.
3. Breakup for materials which generally appears in Bill of Quantities in form of Lots/Meters/LS etc must be furnished and the same should be shown in the Bill of Materials (BOM) and approval must be taken from MNREDA beforehand.
4. The BOM must be furnished for all the systems with respect to the tender as applicable for the successful bidder and same shall be submitted to MNREDA for approval.
5. Any other material/item/equipment/accessory deemed necessary for work completion which has not been mentioned on the above table shall be added by the vendor/contractor and same shall be in the scope of the contract without any extra cost implication. Such materials must be furnished in the BOM and approval for the same must be taken from MNREDA. The same shall follow all the applicable clauses of this Bidding Document .
6. All relevant guidelines issued by MNRE must be adhered to.

Annexure 6 – Declaration of Insolvency

(On Letterhead of the company)

Project: [Project Name]

To: [Client Name and Address]

From: [Your Company Name and Address]

Date: [Date]

Subject: Declaration of Insolvency.

We, [Your Company Name], do hereby declare that we are not insolvent and that we have not been the subject of any insolvency proceedings under the Insolvency and Bankruptcy Code, 2016 (IBC) or any other law relating to insolvency in India, during the past [Number] years/since our incorporation.

We further declare that:

- I. We are not currently in any financial distress that could materially affect our ability to fulfill our obligations under the Empanelment of Vendors for Solar Water RO Purification System.
- II. We have not defaulted on any material financial obligations, including dues to the Government, financial institutions, or operational creditors, in the past [Number] years/ since our incorporation.
- III. We are not aware of any pending or threatened legal proceedings under the IBC or any other law relating to insolvency that could materially affect our solvency or our ability to perform under the proposed project.
- IV. We understand that any misrepresentation or omission of material information in this declaration may constitute grounds for disqualification from the bidding process or termination of any contract awarded to us.
- V. We have made this declaration to the best of our knowledge and belief based on the information available to us as of the date hereof.
- VI. We are prepared to provide any further information or clarification that you may require in support of this declaration, including audited financial statements, board resolutions, or certificates from insolvency professionals.
